## Sunday April 1, 2012

### **11 AM — James Bond Trivia**

**SAC 306**

From Oddjob to Skyfall, test your knowledge of all things Bondian, and win a prize!

### **11 AM — Hollywood Remakes and Sequels**

**SAC 309**

Discuss the apparent lack of creativity from Hollywood lately. There have been many reboots of popular franchises as well as a few surprise sequels. Which ones worked or didn't work? Why can't they leave well enough alone?

### **12 PM — Pushing Pixels to Improve Images**

**SAC 306**

Pushing Pixels to Improve Images and Make Masterpieces. Photoshop is a powerful, complex program made of lots of little things. Don't feel overwhelmed, let's take it one piece at a time.

### **12 PM — Minecraft**

**SAC 309**

Discussion and creative play with blocks.

### **1 PM — Name That Tune**

**SAC 306**

Name that tune you have heard in Sci-Fi/Fantasy movies and TV. Compete for prizes while you meet fellow movie and TV theme enthusiasts.

### **1 PM — Doctor Who: In Moffat We Trust?**

**SAC 308**

Highlights and analysis of the impact that show runner Steven Moffat has had in the hearts and minds of fans of a show which is now at its zenith of popularity while remaining controversial to many fans.

### **2 PM — Harry Potter Discussion**

**SAC 309**

General discussion covering many hotly-debated topics from the most successful young adult fiction franchise in recent memory. Topics include character motivations, artifacts and MacGuffins, house interplay, and much more.

### **3 PM — The Clone Wars Cartoon**

**SAC 306**

Discuss the animated Star Wars TV series airing on Cartoon Network. We will cover a broad array of topics, including the characters we love and hate, the types of stories that work well or poorly, and the pros and cons of the computer animated format.

### **4 PM — Harry Potter Trivia**

**SAC 306**

Test your knowledge of the wizarding world! Wizards, muggles, squibs, and all the rest are welcome to try and win fun prizes.

### **4 PM — Movie Roundup**

**SAC 308**

We'll be taking a look back at all the sci-fi, fantasy, and comic book movies that have been released since last I-CON. What did you love, what did you hate, and were there any surprises in theaters this past year?

### **5 PM — Lord of the Rings**

**SAC 306**

Gondor calls for aid! Join us for a humorous discussion of JRR Tolkien's iconic fantasy series with a focus on the popular Peter Jackson movies and the upcoming film adaptation of The Hobbit.

### **5 PM — Star Wars Expanded Universe**

**SAC 308**

A look at the books, comics, TV shows, and video games expanding the Star Wars universe, including the popular new online game, Star Wars: The Old Republic.

# **DOCKING BAY 516**

## **I-CON 3I Program Guide**

### **March 30, 31 & April 1, 2012**

The Long Island based Star Wars fan club  
**Docking Bay 516** presents programming about many  
areas of fandom as well as Star Wars. Look for us all  
weekend in The Student Activities Center Building  
(SAC) with this handy guide.

**db516.com/i-con**

**#db516**

*Get  
the latest  
updates !*

**Join Docking Bay 516 at our Long Island Meet-Ups**

We meet most second Sundays of the month at 11 AM at the Broadway Mall Food Court  
in Hicksville Long Island. Visit DB516.com for more info.

## Friday March 30, 2012

### **6 PM — Stepping through the Stargate**

Join us for a trip through the Stargate. Discuss the fan favorite Stargate SG-1, as well as its two spin-off shows: Stargate Atlantis and Stargate Universe.

### **7 PM — Star Wars Movie Quotes**

Test your knowledge of the six Star Wars movies and compete for prizes. You'll remember this popular panel from past I-CONS, but this year we've spiced it up to make it faster and more intense!

### **7 PM — South Park Character Creation Workshop**

Kick it old school! Make your own 2 foot construction paper characters for the town of South Park the way Trey and Matt originally had done in their classic animations. Audience participation a must!

### **8 PM — South Park Trivia**

How much do you know about South Park. Join the fun.

### **8 PM — Sci-Fi/Fantasy Pyramid Game**

Remember \$100,000 Pyramid? Well here is the I-CON version, with fun prizes instead of the \$100,000. Try to guess the words or phrases described by your partner as the clock ticks down.

### **8 PM — Science Fiction on TV**

Discuss the current crop of network and cable genre offerings, including Terra Nova, Falling Skies, The Walking Dead, Fringe, and much more.

### **9 PM — Vampire Diaries**

Tired of vampires that sparkle? Bored with the current popular versions of vampires and werewolves? The Vampire Diaries is the CW's hit show featuring the supernatural forces of vampires, werewolves, witches and all kinds of mayhem. Let's explore the many sides of this show and see what makes it the new standard in supernatural shows.

### **10 PM — Computer Animated Movies**

We take a look at movies and television shows with visuals done entirely in computer-generated graphics, like Toy Story, Shrek, or Star Wars: The Clone Wars. What types of stories work well in this genre? How realistic can the rendering become? Who are the innovators in this genre?

### **10 PM — Hunger Games**

The popular young adult series has led to a movie currently in theaters. Discuss the choices made by the characters, the way of life in the districts and the capital, and much more. May the odds be ever in your favor!

## Saturday March 31, 2012

### **10 AM — Costumes, Characters, and Cameras**

A workshop for costumers and photographers to learn to make better pictures together. Costumes and cameras are encouraged. There will be interactive audience participation.

### **10 AM — Star Wars Prequel Trilogy**

Discuss the Prequel trilogy, from Palpatine's plots to Obi-Wan & Anakin's adventures. Newly revised and updated for The Phantom Menace 3D.

### **11 AM — Big Bang Theory**

Dive into the world of Sheldon, Leonard, Penny, and the rest as we discuss this popular, award-winning comedy that seems to have polarized viewers all over.

### **11 AM — Miku Miku Dissection**

Discussion of popular Vocaloid songs with ambiguous meanings.

**SAC 308**

**SAC 306**

**SAC 308**

**ESS 183**

**SAC 306**

**SAC 308**

**SAC 309**

### **12 PM — Fandom Feud**

The most popular DB516 game show is back! Teams compete for prizes by guessing popular answers to survey questions about your favorite areas of fandom.

### **1 PM — Wheel of Fandom**

You've seen it on TV. You know how it works. You just can't wait to spin that wheel, guess the puzzle, and win prizes. Another popular DB516 game show returns.

### **2 PM — Doctor Who New Companions (2005 to Present)**

Oh My God, I'm the Tin Dog: Companions of the New Doctor Who (2005 to Present). A lively discussion of the strengths and weaknesses of the TARDIS travelers of the 21st Century, from Rose Tyler to the Ponds.

### **3 PM — Trailer Park: Movie Trailers**

Watch previews for the upcoming movies of summer 2012 and beyond. This year will feature The Avengers, The Dark Knight Rises, Prometheus, The Hobbit, and much more.

### **4 PM — Warehouse 13**

Snag it, bag it, and tag it! Let's talk about the great characters and awesome artifacts on this light-hearted, fun, and popular Syfy TV show. What are your favorite artifacts and guest stars?

### **5 PM — Superheroes in Movies and TV**

Comic book superheroes are more popular than ever in television and movies, including live-action blockbusters and children's cartoons.

### **5 PM — Torchwood: Counting Jacks**

A look at Captain Jack's complicated timeline, with a focus on the time of the Doctor Who episode "Boomtown." Just how many Jacks are there in Cardiff at that time? You may be surprised.

### **6 PM — Game of Thrones**

"You know nothing, Jon Snow!" Discuss your favorite scenes, characters, and story arcs from the hit HBO show, as well as what you're expecting from the second season. Discussion of the books is welcome, but try not to spoil anything for fans of the show.

### **6 PM — Star Trek: Where is it going?**

With no television shows currently on the air, and the success of the recent reboot movie, where is Roddenberry's sci-fi franchise headed today?

### **7 PM — Bond Girls Exposed**

Celebrating 50 years of the women of 007. Highlights and analysis of the evolution of a key component to the success of the longest running film franchise in history.

### **8 PM — The Book Was Better, Or Was It?**

Discuss how Hollywood has turned science fiction, fantasy, and young adult novels into popular movie and television franchises. Compare the books to recent screen renditions such as Harry Potter and Game of Thrones, as well as classics like Dune and War of the Worlds.
